

PHILEMON

2424. Philemon 1:1-4 Paul's greeting for him and Timothy to Philemon, Apphia, Archippus, and the church in Philemon's home; grace from God and Jesus; we pray for you always.
2425. Philemon 1:5-8 Paul expresses his love and joy over the works of Philemon and asks a favor.
2426. Philemon 1:9-13 Paul speaks for the runaway servant Onesimus, whom he has sent back to his master Philemon, verifying his salvation and brotherhood, hating to send him home.
2427. Philemon 1:14-17 Please agree with me and take Onesimus as a brother, equal to taking me, Paul.
2428. Philemon 1:18-19 I'll pay any lost wages of his; you owe me your life for leading you to Jesus.
2429. Philemon 1:20-22 I know you will comply; prepare me a lodging also; I have to come to see you.
2430. Philemon 1:23-25 Salute Epaphras, my fellow prisoner in Jesus Christ, Marcus, Aristarchus, Demas, and Lucas, my fellow laborers; the Grace Of Jesus be with your Spirit. Amen.
