

### THIRD JOHN

2836. 3rd John 1:1-2            John's greeting to Gaius, a disciple, wishing him health and prosperity.
2837. 3rd John 1:3-4            I have heard you walk in the truth and have great joy that your church walks in truth also.
2838. 3rd John 1:5-6            You minister well to the brethren and strangers who testify of your charity and send them away with a good report.
2839. 3rd John 1:7-8            They only took from Jesus' name sake (Jews); they should receive from Gentiles too so that they are more included in the fellowship.
2840. 3rd John 1:9-10           Church leader Diotrophes would not receive us; remember his evil deeds, speaking against us, forbidding and casting saints out of the church.
2841. 3rd John 1:11-12           Don't follow evil, it is not of God; Demetrius is a brother who knows the truth, he and we know our record is true.
2842. 3rd John 1:13-14           I don't want to write, there is too much to say; hope to see you soon; everyone here sends greetings; we salute you.
